

New EFCI Circle

Building on the growth of the EFCI and the success of its events and advocacy initiatives, in 2022 EFCI Circle has been redesigned to enhance the participation and visibility of its members in EFCI's activities and communications.

By joining EFCI Circle, your organisation will be able to take part to a knowledge exchange platform and to enhance its visibility towards industry players at national and EU level and with relevant EU stakeholders.

About the EFCI

The EFCI is the voice of the European cleaning and facility services industry at EU level, currently bringing together [14 associations](#) representing the industry at national level, employing over 4.2 million people in more than 297,000 companies. The EFCI is an international non-for-profit association and is the recognised European Social Partner by the European Commission for the sector.

EFCI's Members are the most representative national employer organisations in their respective countries – [EFCI members list available here](#).

EFCI's core objectives are:

- > To communicate the industry's needs and priorities to the policy makers at the EU level;
- > To promote the industry and enhance the sector's competitiveness and image;
- > To foster the exchange of information among EFCI's members and facilitate capacity building;
- > To organise and implement actions and projects at European level on topics such as the recognition of the profession, responsible procurement, the promotion of services' quality and the promotion of vocational training and life-long learning.

EFCI's main stakeholders:

The EFCI is an active member of the [European Business Services Alliance \(EBSA\)](#) and of the European Employers Network (EEN), under the coordination of [BusinessEurope](#). The EFCI is also an observer member of the [European Platform Tackling Undeclared Work \(UWP\)](#) and is represented in the [European Ecolabelling Board \(EUEB\)](#).

About EFCI's new Circle

EFCI Circle is a platform to exchange information and expertise in the industrial cleaning sector at European level. The Circle enables its members to foster reflections and to anticipate major evolutions of the cleaning industry in Europe as part of a network of key sectoral stakeholders.

The Circle is open to all cleaning contractors established in a European country (EU or non-EU member). It is also open to any organisation having a direct link to the sector such as training centres, technical and professional study centres, institutes for risks prevention and others.

The various Circle membership opportunities offer a variety of benefits to its members, from featuring their logos in EFCI's website, EFCI public materials and EFCI's newsletter, to exclusive participation to EFCI's European conferences and networking events and access to EFCI's member's monthly newsletter.
